RAVIPATI SHVITHI SAI

Computer Science and Engineering Student | VIT Vellore

Phone: 8722933966
Email: ravipatishvithi.sai2026@vitstudent.ac.in

PROFESSIONAL SUMMARY

Motivated Computer Science and Engineering student at Vellore Institute of Technology with foundational knowledge of Python, C, SQL, data structures, and problem-solving. Interested in building practical software solutions that address real-world needs. A quick learner who adapts to new technologies, communicates ideas clearly, and enjoys collaborative problem-solving.

EDUCATION

Bachelor of Technology (B.Tech.) — Computer Science and Engineering, CSE Core
Vellore Institute of Technology (VIT), Vellore
Expected Graduation: 2030

TECHNICAL SKILLS

- **Programming Languages:** Python, C
- **Database:** SQL
- **Core Concepts:** Data structures, logical reasoning, problem-solving
- **Areas of Interest:** Software development, machine learning fundamentals, data analytics, responsive web development

PROJECTS

Study Planner Application

- Conceptualized a responsive application to help students organize study schedules, assignments, and deadlines.
- Focused on usability and practical study-planning workflows.

Student Skill-Matching Platform

- Proposed a platform to connect students based on skills and shared learning goals.
- Emphasized peer collaboration and knowledge sharing.

Campus Navigation System

- Developed a project concept to help students locate campus buildings and facilities efficiently.
- Focused on improving campus accessibility and navigation.

STRENGTHS

Quick learner · Adaptable · Collaborative · Clear communication · Initiative · Logical problem-solving
